TABLE OF CONTENTS
**THE ALL NEW SCHUTT ENERGY LOCK TECHNOLOGY**

**THE PILLARS OF ADVANCED PERFORMANCE:**
D3O® is a SMART material. It’s rate sensitive, so it understands the different load rates of stress vs strain characteristics. In plain speak, this means the harder the impact to the D3O®, the greater the resistance to the force.

Materials formed from D3O® technology are **LIGHTWEIGHT, FLEXIBLE AND BREATHABLE.**

---

**WHAT EXACTLY IS D3O®?**
D3O® impact protection is a patented technology used to create a soft and flexible shock absorbing material featuring unique molecular properties. In standard conditions its molecules flow freely, but on impact, they lock together to absorb impact energy and reduce the force transmitted.

**THE D3O® TECHNOLOGY IN THE SCHUTT LINEUP IS THE MOST ADVANCED CUSHIONING SYSTEM IN BASEBALL OR SOFTBALL.**

---

**WHAT ARE THE ADVANTAGES OF D3O®?**
At the same thickness, the D3O® technology in the new Schutt batting helmets transmits 53% less force than vinyl nitrate and PE/EVA foam.

- **PATENTED TECHNOLOGY**
- **MAXIMUM FLEXIBILITY**
- **HIGH PERFORMANCE SHOCK ABSORPTION**
- **EXTERMELY COMFORTABLE**
- **TRUSTED PROTECTION**
- **TESTED TO THE HIGHEST STANDARDS**

---

**HOW DOES D3O® ABSORB MORE IMPACT THAN TRADITIONAL MATERIALS?**
D3O® is a patented impact protection technology with a unique molecular structure allowing it to remain soft and flexible.

D3O® materials in their raw state flow freely when moved slowly, but on shock and impact, lock together to absorb and disperse energy, before instantly returning to their flexible state.

The technology in D3O® does not “go hard” when it absorbs and disperses energy. The molecules lock together and then return to the original, flexible state.

---

**HOW D3O® MOLECULES WORK:**

1. **SOFT & FLEXIBLE**
2. **LOCKS ON SHOCK**
3. **RETURNS TO FLEXIBLE STATE**

---

**D3O® is a registered trademark of Design Blue Limited**
**WARNING** This faceguard/helmet system cannot protect the wearer from all injuries that might occur while participating in baseball or softball. This product was specifically designed and fabricated to be mounted on a baseball/softball helmet and to be used as facial protection in the sport of baseball/softball. The product is not designed for use with any other helmet or for any other purpose. Schutt Sports makes no warranty of fitness for a particular purpose, other than as set forth herein. All Schutt Helmets Exceed NOCSAE Standards.

**PRODUCT HIGHLIGHTS**

**FITTED HELMETS.**
Premium fitted helmet with high, impact durable shell.

**TPU CUSHIONING.**
TPU Cushioning for maximum protection. Better impact absorption than traditional foam padding, plus better heat management and better hygienics.

**TPU JAW PADS.**
Extending the performance and protection of TPU to the jaw pad. No other jaw pad like it.

**Fitted helmets**

Premium fitted helmet with high, impact durable shell.

**AIR-XE SHELL**
Our boldest design. Engineered for a truer fit.

**AIR FLOW**
44 vent holes that maximize ventilation.

**ANTIMICROBIAL**
TPU resists the development of bacterial odors.

**CUSHIONING SYSTEM**
Air Maxx TPU Interior Cushions and TPU Jaw Pads for maximum protection.

**SECURED CUSHIONING**
Mechanically attached TPU cushions keep pads in place and allows for easy cleaning or replacement.

**CHIN STRAP SNAPs (SB ONLY)**
Chin Strap Snaps provide easy hook-up for any Schutt Chin/Throat Strap (S6).

**PRE-DRI lLED HOLES (SB ONLY)**
Makes it easy to attach the Air-Lite Softball Batter’s Guard (52-53).

**BASEBALL MODEL**
No chin strap snaps and no pre-drilled holes.

**COLORS**
Molded, High Gloss, Painted, Matte, Rubberized Matte, or Aqua Tech Water Graphics (26-48).

**PRODUCT FEATURES**

**FITTED HELMET**
Premium fitted helmet with a high-impact, durable shell.

**AIR-XE SHELL**
Our boldest design. Engineered for a truer fit.

**AIR FLOW**
44 vent holes that maximize ventilation.

**ANTIMICROBIAL**
TPU resists the development of bacterial odors.

**CUSHIONING SYSTEM**
Air Maxx TPU Interior Cushions and TPU Jaw Pads for maximum protection.

**SECURED CUSHIONING**
Mechanically attached TPU cushions keep pads in place and allows for easy cleaning or replacement.

AiR-4.2 | AiR-4.2 BB

PRODUCT FEATURES

ALL NEW SCHUTT ENERGY LOCK TECHNOLOGY
Features new D3O® Aero Impact Foam which is a lightweight, soft and flexible padding that absorbs and disperses energy upon impact.

BSFM HELMET
Premium one size fits most helmet with a high-impact, durable shell.

AIR-XE SHELL
Our boldest design – Engineered for a truer fit.

AIR FLOW
$4 vent holes that maximize ventilation.

ANTIMICROBIAL
Treated with an antimicrobial system to resist the development of bacterial odors.

SECURED CUSHIONING
Mechanically attached D3O® Cushions keep pads in place and allows for easy cleaning or replacement.

CHIN STRAP SNAPs [SB ONLY]
Chin Strap Snaps provide easy hook-up for any Schutt Chin/Throat Strap [56].

PRE-DRILLED HOLES [SB ONLY]
Makes it easy to attach the AiR-Lite Softball Batter’s Guard (52-53).

BASEBALL MODEL
No chin strap snaps and no pre-drilled holes.

COLORS
Molded, High Gloss, Painted, Matte, Rubberized Matte, or Aqua Tech Water Graphics (26-48).

PRODUCT HIGHLIGHTS

PATENTED D3O® IMPACT ABSORPTION
D3O® features a unique molecular structure allowing it to remain soft and flexible. Upon impact, however D3O® materials lock together to absorb and disperse energy, before instantly returning to their flexible state.

MEASURABLE ADVANTAGE
At the same thickness, the D3O® technology transmits 15% less force than vinyl nitrile and PE/EVA foam.

### PRODUCT HIGHLIGHTS

**PONYTAIL PORT**
Our exclusive ponytail port is the ideal fit for players with longer hairstyles. U.S. Patent #5,666,670

**COOLING VENTS**
Loads of ventilation holes help keep you cool and dry.

**ANTIMICROBIAL**
Treated with an antimicrobial system, which acts to resist the development of bacterial odors.

### PRODUCT FEATURES

**PONYTAIL PORT**
Allows female athletes to comfortably wear their helmet with longer hairstyles.

**FITTED HELMET (AiR-5 PT)**
Premium fitted helmet with a high-impact, durable ABS shell.

**OSFM HELMET (AiR-3 PT)**
Premium one size fits most helmet with a high-impact, durable ABS shell.

**PADDING SYSTEM**
Comfortable Dual-Density foam padding for ideal comfort and flexible fitting.

**AIR FLOW**
13 vent holes that maximize ventilation.

**HOW TO PROPERLY FIT A BATTERS HELMET**

**Measure the Player’s Head**  
Using a cloth measuring tape, measure the circumference of the player’s head at its widest point – which is usually about 1” above the eyebrows. That measurement will give you a good starting point for helmet size.

**Proper Bill/Helmet Position**  
The helmet bill should be parallel to the ground, about 1” above the eyebrows. With a faceguard attached, both the guard and the bill should be positioned so that you have a clear, unobstructed view of the pitch.

**No Independent Movement**  
The helmet should NOT move independently of the player’s head. Here’s a quick test: give the bill of the helmet a solid tap while the player is wearing it. The helmet shouldn’t move. If it does, the helmet is too big.
AiR-Lite Batter’s Guard

**Product Features**

**Protection**
Meets NOCSAE standard.

**Expanded Field of Vision**
Maximizes players peripheral vision.

**Lightweight**
Targeted wire reduction results in substantially lighter weight and more even distribution of weight.

**Over-Bill Design**
Top wire attaches on top of the bill for unobstructed visibility.

**Easy Installation**
All helmets are pre-drilled or dimpled to accept hardware. If Baseball AiR-Lite HR is purchase unattached, drilling will be required.

**Traditional Mounting**
Can be mounted on a variety of helmets.

**WARNING** This faceguard/helmet system cannot protect the wearer from all injuries that might occur while participating in baseball or softball. This product was specifically designed and fabricated to be mounted on a baseball/softball helmet and to be used as facial protection in the sport of baseball/softball. The product is not designed for use with any other helmet or for any other purpose. Schutt Sports disclaims any and all expressed or implied warranties, including the warranty of fitness for a particular purpose, other than as set forth herein.

All Schutt Helmets Exceed NOCSAE Standards.

**NEW – TITANIUM 18% LIGHTER**

### PRODUCT FEATURES

**TITANIUM GUARD**
- Features titanium guard, which is lighter and stronger than traditional guard.

**WIDER VIEW OF FIELD**
- Increased field of vision, without sacrificing protection.

**MAXIMIZING AIR FLOW**
- Ventilation holes are built into the 2966 shell, maximizing air flow and keeping you cool.

**ADJUSTABLE HARNESS**
- Both comfortable and functional. It fully adjusts for a custom fit and features durable nylon and elastic straps that are comfortable and won’t irritate.

**RANGE OF MOTION**
- The sleek contoured design gives you a full range of motion.

**COLORS**
- Molded, Painted, Matte, Rubberized Matte or Aqua Tech Water Graphics (26-48).

S3 Reversible Chest Protector
BASEBALL | SOFTBALL

REVERSIBLE DESIGN

Scarlet/Black (76)
Navy/Black (53)
Royal/Black (82)
Black/Gray (85)

**PRODUCT FEATURES**

**REVERSIBLE CHEST PROTECTOR**
The S3 features a Schutt exclusive reversible design. The chest protector can be worn in two-tone design, as well as the blackout reverse side. It’s as easy as flipping it over and changing the shoulder caps.

**MAXIMUM VENTILATION**
The S3 features a permeable wide weave mesh over highly perforated foam to maximize ventilation - without sacrificing protection or performance. The wide weave mesh helps keep you cool, dry and ready.

**ADJUSTABLE/REMOVABLE SHOULDER CAPS**
Removable and adjustable shoulder caps attach inside the chest protector for no irritation to the body, while maintaining fit.

**“H-BACK” HARNESS SYSTEM**
This unique harness system hugs your back and shoulders; it doesn’t billow up. Instead, it conforms to the shape of your shoulders for maximum protection and coverage.

To determine the best size, measure from the top of your collar bone to the bottom of your navel.
MULTI-FLEX
Removable Triple Flex Third Knee guard allows the leg guard to convert into a Double Flex Double Knee. Keep screws tight as they will loosen over time.

MAXIMUM VENTILATION
S3 Multi-Flex Leg Guards feature hundreds of perforations, maximizing ventilation without sacrificing protection or performance.

INCREASED PROTECTION
Triple Flex knee guard provides added coverage for inside thigh.

GEL KNEE PAD
The gel pad utilizes impact displacement gel and specifically cushions the patella while offering a padded area for the other areas around the knee. Replacements sold separately.

To determine the best size, measure from the middle of your knee to the bottom of your ankle bone.
Scorpion Chest Protector

**SOFTBALL**

**PRODUCT FEATURES**

**BASEBALL VERSION**
A squared off cut that's designed to better fit baseball players, while still providing maximum protection.

**“H-BACK” HARNESS SYSTEM**
Hugs your back and shoulders without billowing up.

**EXTRA PROTECTION**
Additional protection right over the chest and heart where impacts can be especially dangerous.

**CUSTOMIZABLE SHOULDERS CAPS**
You can move shoulder caps around or remove them completely.

**CONTOUR DESIGN**
Wraps around your body, without impeding your movement, protecting you all over.

**COOLMAX LINING**
Wicks moisture, reducing heat build-up and helping you stay cool.

**HOOK & LOOP**
The fast hook and loop attachment system means you can take off the Scorpion with a flick of the wrist.

**Scorpion Leg Guards**

**BASEBALL | SOFTBALL**

### Product Features

**Maximum Protection**
Wraps around your leg with comfortable wings that offer maximum protection.

**Extended Protection**
Toe plates offer extended protection but can be removed.

**CoolMax Lining**
Wicks moisture, reducing heat build-up and helping you stay cool.

**Universal Fit**
Works in tandem with the Scorpion Chest Protector. Great for baseball or softball.

**Side Ankle Protection**
Addresses a chronic unprotected area — your ankles. Side protection is built right in.

AiR-Flex 2 Umpire Chest Protector

### PRODUCT FEATURES

- **COLLAR BONE PROTECTION**
  Newly designed. Protects over the shoulder but still allows a more contoured and adaptable fit.
- **BROCK BEAD CONSTRUCTION**
  Absorbs more impact and allows more air to circulate inside the chest protector.
- **EXTENSION**
  Removable 6” Brock Bead Extension Pad provides additional coverage for taller umpires.
- **MAXIMUM PROTECTION**
  Design is more form fitting to maximize protection.
- **LIGHTWEIGHT BODY**
  Featuring a breathable, mesh fabric that maximizes air circulation.
- **BETTER PROTECTION**
  Features shoulder gap caps in high-risk impact area, a wider chest plate and padded Y-back.
- **RAISED CORRUGATIONS**
  Raised corrugations make the body stronger and more resilient.
- **VENTILATION**
  10mm ventilation holes in the body maximize air circulation and evaporation of excess moisture.
- **EXTENDED DELTOID PROTECTION**
  Extended protection for deltoid area and removable deltoid pad.
- **ADDITIONAL FEATURES**
  Features a T-Hook attachment for a secure fit. Also features epaulet style caps that are adjustable and/or removable.

30 OF OUR FAVORITE CUSTOMERS: STEPPING ALL OVER US SINCE 1939.

Jack Corbett® MLB® Hollywood Base®

PRODUCT FEATURES
- Official Base Supplier to Major League Baseball®. Used on every MLB® field since 1939.
- Our extended, tapered lip virtually eliminates all edge turn up. Cheap, imitation bases will often have edges that turn up.
- Engineered to better withstand bad weather and also includes special ultraviolet inhibitors.
- Added tensile strength to prevent most cuts and tears.
- Comes with 6” stanchions.
- Shipping Weight: 13 lb. [12901040]
- Anchor plugs and ground anchors sold separately. See page 101.

ITEM NUMBERS
12901040 BBPLS Single Base
12901010 BBPL Set of 3 Bases
Hollywood Impact® Base

PRODUCT FEATURES

- Premium, professional construction with patented chevron design.
- Chevron design adds support and durability.
- Advanced base design compresses upon impact, reducing risk of ankle, leg and knee injuries.
- Comes with 6” stanchions.
- Shipping weight: 11 lb. (12902040)
- Anchor plugs and ground anchors sold separately. See page 101.

Hollywood Impact® Kwik-Release Base

**PRODUCT FEATURES**

- Advanced base design compresses upon impact, like other Hollywood Impact® bases.
- For additional safety precautions, the top of this base will disengage upon strong enough impact.
- Two resistance levels available: Youth and Varsity.
- Bottom features waffle-design that adds strength and flexibility.
- Soft orange tabs on the platform hold onto the top of the base but are soft enough for players to slide over.
- Fully compliant with Little League® Rule 1.06.
- Ground Plugs and Anchors sold separately. See page 101.
- Shipping weight: 23 lb. (1290620)
- U.S. Patent #5,000,447 & 5,415,395.

100+ Firecrackers have Played D-1 Softball. 30 Teams Across California, Arizona and Texas.

Play With Honor.

Schutt Sports is a premier supplier of the best softball equipment in the game. We work diligently with all our sponsored teams, affiliated organizations and the game itself. We’re proud of the role we play.

TONY RICO
Head Coach - Firecrackers

“We are very excited about this partnership with Schutt Sports. We’ve always known about the quality of Schutt gear – their reputation in fast pitch is fantastic. But just as importantly to us is the value they place on their relationships and the excellent service they provide their teams. I can’t wait to see our teams using Schutt gear.”

GLEN MOORE
Head Coach - Baylor University

“Schutt batting helmets stand alone as the best in our sport and our catchers love the fact that they can customize their gear to meet, not only their needs, but also their desires when choosing protective gear”

MIKE CANDREA
Head Coach - University of Arizona

“Schutt is the standard when it comes to customizing protective gear. I have always been impressed with the quality of their products, along with their ability to customize our gear to look classy yet remain unique to our program. We’ve worked with them on great custom designs for special events, as well. There is not a better batters helmet made in the USA that gives our players the very best fit for comfort and the highest level of protection.”
